BRANGUS SIRE BLACK BALDIES

The
Feeder's
Choice

Brangus sired Black Baldies are in strong demand by feeders and bring top dollar for you!

Black Baldies are an ideal feeder animal. Ask any commercial cowman about the great calves with "a little ear". Medium-sized at birth, they make calving easy for any type of cow. They gain quickly on feed or forage, and average 75 to 100 pounds heavier at weaning than English breeds.

Brangus feeders mean fewer problems for the operator because they are adaptable to climactic extremes and are pest and disease resistant. But most important, Brangus feeders are consistently PROFITABLE. They lay down internal fat early and finish early with enough marbling to grade choice. Brangus calves are preferred — by stockers, feeders, packers, and consumers. If you want PROFIT, you need BRANGUS!

For information about scheduled events, upcoming sales, and sale catalogs, call collect: Lauren Mayhew, Secretary, Texas Brangus Breeders Association, P.O. Box 570, Sealy, Texas 77474. Tel. (713) 885-3364.

Our Girl Friday ...

By ANN SYLER

For the second year in a row, the Pan American Brangus Classic Sale at Dallas out-averaged all the sales held there by any breed! This is quite a feather in our cap, wouldn't you say? Our average was \$5,065 on 20 lots, which was an itself up \$527 over last year. Top of the sale was a cow-calf pair consigned by Wendy Sjaaland of Bravos Brangus, Riesel, Texas, purchased by Clayton Williams of Ft. Stockton for \$7,500. Second high selling lot of the sale was an open heifer consigned by Sheryl Richardson of Longview, Texas, purchased by Plum Creek Ranch, Fairfield, Texas for \$6,300. Don't this indicate to you what a top job is being done by Brangus Junior members? Plum Creek Ranch was the volume buyer at the sale, purchasing three lots.

Just last Saturday I had a birthday party in Calhoun, Georgia! Can you imagine such a thing? But we were there

for the Southern Bello Brangus Sale and the Southeast Brangus folks learned that it was being held on my birthday, so at their banquet they had an accordion player come in, followed by a beautiful cake on a silver tray (thank goodness, with only one candle on it) and everyone sang "Happy Birthday" to me and everyone and the present that they all "gave" to me was what I had wished for them — a great sale. They had 29 buyers from 9 states and averaged \$2070 on their bulls, \$1405 on pairs, \$1321 on broods and \$765 on open heifers (which made up 43% of the sale offering) with an overall average of \$1130. This is up considerably over last year — as has been the case with all of the Brangus sales this fall. Pete Griffin was elected President of the Southeast Association; R. J. Mitchell, Vice President; and Cam and Christine Blacoe as Treasurer and

NEWS about LIMOUSIN

Around The Limo Loop

By KEN HOLLOWAY and BRUCE BROOKS

This month's Limo-Loop finds us making a hot streak down the road. Our fall sale season is in full swing. So far, we have had the opportunity to sell some tremendous Limousin cattle at auction and as a result our everages have been strong.

Plans are moving along rapidly for the 5th Annual World Limousin Futurity and 10th Annual Convention. This year's event promises to be one to remember. The Missouri and Kansas Associations are pulling all stops to insure possibly the best convention yet. The World Futurity Show and Sale will display approximately 100 head of the highest quality Limousin cattle to be found. This year's show will feature a club steer and club heifer prospect class. Each of the Futurity entrants will be competing for a \$20,000 premium purse. Make plans now to be with us in Kansas City for this memorable event to celebrate the 10th Anniversary of Limousin November 9-14.

representative, said the Carter Administration should "become more aggressive in responding to unfair trade practices... particularly to dumping sections and to use of export subsidies. Such practices not only permit many nations to penetrate the U.S. markets when they would otherwise be unable to do so, but they also take third country markets away from us."

Youtter, speaking to a group of business leaders in Houston at a special briefing sponsored by the Center of International Business, said, "The Executive branch has ample legislative authority to retaliate against unfair trade practices, but both President Ford and President Carter have held back on such stern action in order not to impede progress of the multilateral trade negotiations. I find no fault with that policy, though it has clearly required us to turn the other cheek on many occasions..." Youtter said.

Some years back authorities started to name a dam in honor of Bobby Dodd, then Georgia Tech football coach. But they derided "Dodd Dam" wouldn't sound too good.

Texas Polled Hereford NEWS

by Norman Cabaniss

We would like to encourage Polled Hereford breeders to furnish the Texas Polled Hereford Association with the names and addresses of persons purchasing Polled Hereford cattle. These names will be added to our mailing list and purchasers will receive a complimentary copy of the State Directory and 8 sample copies of the TPHA Newsletter. By doing this, we feel that their interest in Polled Hereford will be heightened, improving both your business and the Polled Hereford breed.

The West Texas Polled Hereford Association held a membership meeting at the Royal Inn in Abilene, September 14. Officers elected were Wallace Fields, President; Jim Gill, Vice-President; Joane Abbey, Secretary-Treasurer; and Directors Joe Dan Weedon, Franklin Sollette and Chaselle Abbey.

The WTPHA has agreed to hold meetings at different geographical locations during the coming year and provide educational programs on production and other subjects at these meetings.

A sale committee was appointed to study and make recommendations for a spring sale sometime in April 1979.

A meeting of the Texas Polled Hereford Association was held during the Central Texas Polled Hereford Show and sale to be held at Clifton, Texas, October 28. For more information, contact Mrs. Harry Dulick at 817/895-2428.

Sixteen Polled Hereford breeders registered more than 100 head during 1978, headed by Chisholm Trail Ranch at Rhame, Texas, with 823 head. Another 18 registered more than 45 head during the year.

A new registered Polled Hereford herd has been begun by Jimmie Farrington of Livingston, Texas. He is the local Pima Distributor. Farrington has made a number of purchases of top cattle including one-half interest in Victor K 47 D 100 from the Ira Duck Jr. herd of Taylor County and two full sisters from the same herd, sired by a Sam Swann bull out of Pride Lady 13. Other

purchases were made from the Jim and Fay Gill herd and Spring Creek Farm of Pierpont, Ohio. Randy Turner of Coleman is the recipient of a \$300 loan from the National Council of Polled Hereford. The loan was used to purchase JFG Katy Roundup 87 K from Jim and Fay Gill. The Polled Hereford have awarded nearly \$15,000 in 5 years to youngsters desiring to purchase registered Polled Hereford females.

Yowell's Rocking Y Ranch took Grand Champion Bull 110000 at the East Texas State Fair with RYR Roundup Vic 382 J. The reserve Champion bull was exhibited by Flying A Ranch of Rosser, OK Victor N 81 4349. T & S Victor T 807, owned by G Tufts & Sons, was selected Champion heifer and KK Renatrix 1033 owned by Flying A Ranch and Ira and Tina Lee of Waco, Texas.

Mark Bosley and Debra June Bosley of Howley, Texas, had the Champion and Reserve Champion in the Junior Show at Abilene.

The Texas Polled Hereford Association has a number of Private Treaty listings of fine Polled Hereford cattle. For information contact TPHA, P. O. Box 70, Rio Vista, TX, 817/878-2624.

We want to welcome Romeo M. Korth of Edcote, Texas, and Mr. and Mrs. Dale G. Clarke of Houston as new members of the Texas Polled Hereford Assn.

SANTA GERTRUDIS NEWS

The Santa Circuit

BY BUDDY SMITH
Three-thirty a.m. means different things to different people. For most, it's the middle of a sound sleep. For the night prowler, it's a time to return to the roost, but for custom hunters it's a time to rise and head for the show barn.

This past Thursday at 3:30 a.m., yours truly was pushing cattle in from the traps to be loaded on a semi headed for the Beaumont show. As I trudged through the dark, and dew covered grass a thought occurred to me — why so much recent interest in showing Santa Gertrudis? The answer has to lie with the new, and the small herds. Those people are producing a superior product and they want the public to know about it. A lot of now herds have appeared in the winners' circle this year, resulting in a highly advertised, very marketable product. Most of the breeders that we have heard of have expressed the opinion that showing and winning has definitely increased sales at the ranch.

Soma 750 head of Santa Gertrudis have recently been sold at public auction. Starting point for the sale was Poplar Bluff, Mo., on Sept. 30, running on down to the King Ranch Sale, at Kingsville, and back north to Dallas, on Oct. 6. Prices were good at all the sales, and demand was strong. The majority of the cattle were sold to new people in the Santa Gertrudis business. Cattle want from Illinois to Florida, Mexico to New Mexico, and points in between. One thing was quite obvious: well conditioned, top quality cattle always sell well.

Dallas show: astute Frank Leigh judging some 250 head for championship honors. Grand champion female was Chaparral's 7637, with reserve grand champion going to Joe Fronzley's 977. Grand champion bull honors went to Mayfield Ranch's Mountain Bosu 778, with reserve champion bull going to Chaparral's 6803.

S.G.B.I. recently lost a good field director when Kenneth Ellis went to work for El Collin Ranches, Morgan, Texas. We wish you the best of luck, Kenneth. Kenneth was replaced by Joe Jones. Joe is a South Texas man, raised on a ranch near Charlotte. Joe has all the makings of a top classifier.

If you haven't already put your cattle on full feed for the Houston Super Sale, now is the time. Also keep in mind the fall sales in conjunction with the National Show and annual meeting in

New Field Director For SGBI Engaged

Kingsville — Santa Gertrudis Breeders International is pleased to announce the addition of Joseph E. Jones to its staff of Field Directors.

As a Field Director, Jones' duties will include visiting Santa Gertrudis breeders and grading-up and classification inspection of cattle. He will also represent SGBI at many of the upcoming fairs, shows, and Santa Gertrudis events.

Baton Rouge, so let us know if you would like us to help you select your offspring, halter break them, and haul them to the sale. Remember, it doesn't cost to feed quality sale cattle — it pays!
